Scouts BSA Programs

Kopernik Observatory & Science Center (KOSC) invites Scouts to explore the universe and discover the wonders of science, technology, engineering and math through the Evening Programs and Merit Badge workshops offered at KOSC. These exciting overnight programs feature an indoor sleepover or outdoor campout on KOSC grounds, Night Sky observing (weather permitting) and a continental breakfast.

PROGRAMS:

- **Basic Evening Programs:** features special scientific activities along with telescope viewing (weather permitting). Length: 1.5 hours
- **Overnight Programs:** features an indoor sleepover or a campout on Kopernik Observatory grounds. Program Length 3-4 hours, unlimited telescope viewing (weather permitting).
- **Merit Badge Workshop:** 3-4 hour program, can be non-overnight or overnight.
