KoperniKids
Winter / Spring 2025
A Preschool Student
and Parent Program

Join us for the KoperniKids program, a kid-friendly approach to Science, Technology, Engineering, and Math (STEM) exploration designed especially for children 3 to 6 years old. Each session will offer fun, hands-on learning with a different set of activities, experiments, and songs that will encourage your child to participate in the wonderful world of Science, Technology, Engineering, and Math.

Pajama Party **Saturday, February 22** **10:30 a.m. – Noon**
What would it be like to sleep all winter long? Come dressed in your pajamas and together we will explore what it means to hibernate. Which animals hibernate and what happens while they are hibernating

Wind Energy **Saturday, March 8** **10:30 a.m. – Noon**
March is known to be windy! What makes the wind blow? Wind is a powerful force of nature and you can make it work for you. We will discover how wind works and how it can be converted into energy with a couple of fun hands-on projects.

Exploring Sound **Saturday, April 12** **10:30 a.m. – Noon**
Explore the science of sound with several fun and easy experiments. You can make your own musical instrument.

Feathered Friends **Saturday, May 10** **10:30 a.m. – Noon**
Spring is here and the birds are singing! Birds are all around us. Why do some birds have different beaks than others? Make a bird feeder to take home and continue your study of birds at home.

Plenty of Plants **Saturday, June 14** **10:30 a.m. – Noon**
Plants are an important part of life here on Earth. We depend on plants to survive. We will explore what plants need to survive and take home a plant to care for over the summer!

Where: Kopernik Observatory & Science Center, 698 Underwood Road, Vestal, NY
What to bring: An adult is required to stay with the child during the program
Cost: KOSC Members: \$15; Non-Members: \$20 per session per child (parent/grandparent are free)
Questions: Call Kopernik at (607)748-3685 ext. 308 or email: registration@kopernik.org
